Section 1. Principal office. The principal office of the Association shall be maintained at the address of its project at Fifth Avenue and Union Street, Nashville, Tennessee.

Section 2. Place of meetings. All meetings of the Association shall be held at its principal office unless some other place is stated in the call.

Article II. Association of Unit Owners

Section 1. Annual Meeting. The annual meeting of the Association (except for the first annual meeting) shall be held on the first Tuesday of the second calendar month following the close of the Association's fiscal year.

Section 2. Special meetings. Special meetings may be held at any time upon the call of the President or upon the call of any three owners. Upon receipt of such call, the Secretary shall send out notices of the meeting to all members of the Association.

EXHIBIT A

Section 3. Notice of meetings. A written or printed notice of every meeting of the Association stating whether it is an annual meeting or special meeting, the authority for the call of the meeting, the place, day, and hour thereof, and the purpose therefor shall be given by the Secretary or the person or persons calling the meeting at least three days before the date set for such meeting. Such notice shall be given to each member in any of the following ways: (a) by leaving the same with him personally, or (b) by leaving the same at the residence or usual place of business of such member, or (c) by mailing it, postage prepaid, addressed to such member at his address as it appears on the records of the Association, or (d) if such owner or mortgagee cannot be located by reasonable efforts, by publishing such notice in any newspaper, including weekly newspaper, of general circulation in Nashville, Tennessee, such notice to be published not less than two times on successive weeks, the first publication thereof to be not less than ten (10) days nor more than nineteen (19) days prior to the day assigned for the meeting. If notice is given pursuant to the provisions of this section, the failure of any member to receive actual notice of the meeting shall in no way invalidate the meeting or any proceedings thereat. Upon written request for notices, mailed by registered mail, addressed to the secretary of the Association at the address of said project, the holder of any duly recorded mortgage against any apartment unit may promptly obtain a copy of any and all notices permitted or required to

be given to entitle the holder of any mortgage requesting such notice to receive all notices sent to the members from and after receipt of said request until said request is withdrawn and said mortgage is discharged of record.

Section 4. Waiver of notice. The presence of all the members, in person or by proxy, at any meeting shall render the same a valid meeting, unless any member shall, at the opening of such meeting, object to the holding of the same for noncompliance with the provisions of Section 3 of this Article II. Any meeting so held without objection shall, notwithstanding the fact that no notice of meeting was given, or that the notice given was improper, be valid for all purposes, and at such meeting any general business may be transacted and any action may be taken; provided, however, that where a member has pledged his vote by mortgage, deed of trust or agreement of sale, only the presence of the pledgee will be counted in determining whether notice is waived with regard to business dealing with such matters upon which the member's vote is so pledged.

Section 5. Quorum. At any meeting of the Association, members, present or by proxy, whose aggregate interest in the common elements constitutes a majority of the aggregate interests of all of the members, present or by proxy, shall constitute a quorum, and the concurring vote of such majority shall be valid and binding upon the Association except as otherwise provided by

law or these Bylaws. In the event a member has pledged his vote by mortgage, deed of trust, or agreement of sale, the member's vote will be recognized in computing a quorum with regard to any business conducted concerning such matters upon which said member's vote is so pledged or mortgaged unless the mortgage, deed of trust, or agreement of sale provides otherwise, in which event such instruments shall control.

Section 6. Voting. Any person, firm, corporation, trust, or other legal entity or a combination thereof, owning any unit in said project duly recorded in his or its name, the ownership whereof shall be determined by the records of the Register's Office for Davidson County, Tennessee, shall be a member of the Association, and either in person or by proxy entitled to a vote equivalent to his percentage interest in the common elements for each unit so owned at all meetings of the Association. Any provision to the contrary notwithstanding, co-owners or joint owners shall be deemed one owner. The authority given by a member to another person to represent such member at meetings of the Association shall be in writing, signed by such member or if a unit is jointly owned then by joint owners, or if such member is a corporation, by the proper officers thereof, and shall be filed with the Secretary, and unless limited by its terms, such authority shall be deemed good until revoked in writing. An executor, administrator, guardian, or trustee may vote in person or by proxy at any meeting of the Association

with respect to any unit owned or held by him in such a capacity, whether or not the same shall have been transferred to his name by a duly recorded conveyance. In case such unit shall not have so been transferred to his name, he shall satisfy the Secretary that he is the executor, administrator, guardian, or trustee holding such unit in such capacity. Whenever any such unit is owned by two or more jointly according to the records of said Bureau, the vote therefor may be exercised by any one of the owners present in the absence of protest by the other or others, PROVIDED, HOWEVER, that when the vote of owner or owners has been pledged by mortgage, deed of trust, or agreement of sale of any unit or interest therein, an executed copy of which is on file in the Register's Office for Davidson County, Tennessee, only the vote of the pledgee will be recognized upon those matters upon which the owner or owners' vote is so pledged.

Any specified percentage of owners means the owners of units to which are appurtenant such percentage in the aggregate of common interests.

Section 7. Adjournment. Any meeting of the Association may be adjourned from time to time to such place and time as may be determined by majority vote of the members present, whether a quorum be present or not, without notice other than the announcement at the meeting. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted by a quorum at the meeting originally called.

Article III. Board of Directors

Section 1. Number and qualification. The Board of Directors may employ any other employee or agents to perform such duties and at such salaries as the Board of Directors may establish.

Section 5. Election and term of office. The directors shall be elected by a majority of the owners. The first annual meeting of the Association will be called by Miller G. Section 6. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a director by a vote of the Association shall be filled by vote of the majority of the remaining directors, even though they may constitute less than a quorum; and each person so elected shall be a director until a successor is elected at the next annual meeting of the Association.

Section 7. Removal of directors. At any regular meeting or special meeting duly called, any one or more of the elected directors may be removed with or without cause by a majority of the owners and a successor may then and there be elected to fill the vacancy thus created. Section 13. Board of Directors' quorum. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the acts of the majority of the directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. In the event any owner is delinquent in the payment of any monthly assessment for a period in excess of thirty days, the Association is authorized to sever or disconnect all utility connections to his unit.

Section 2. Maintenance and repair.

(a) Every owner must perform promptly all maintenance and repair work within his own unit, which if omitted would affect the project in its entirety or in a part belonging to other owners, and is expressly responsible for the damages and liabilities that his failure to do so may engender.

(b) All the repairs of internal installations of the unit such as water, light, power, sewage, telephones, sanitary installations, doors, windows, lamps, and all other accessories belonging to the unit area shall be maintained at the owner's expense.

(c) An owner shall reimburse the Association for any expenditure incurred in repairing or replacing any common areas and facility damaged through his fault.

Section 3. Use of units. All units shall be utilized in accordance with the provisions of the Bylaws, Declarations, and House Rules.

Section 4. House Rules. In order to assure the peaceful and orderly use and enjoyment of the building and common elements

of said project, the Association may from time to time adopt, modify, and revoke in whole or in part by a vote of the members present in person or represented by proxy whose aggregate interest in the common elements constitutes 75 percent, at any meeting duly called for the purpose, such reasonable rules and regulations, to be called House Rules, governing the conduct of persons on said project as it may deem necessary. Such house rules upon adoption, and every amendment, modification, and revocation thereof, shall be delivered promptly to each owner and shall be binding upon all members of the Association and occupants of the building.

Section 5. Foreclosure of lien. In any suit to foreclose the lien against any owner of a unit, the Association may represent itself through its manager or Board of Directors in like manner as any mortgagee of real property and shall follow the procedures usually followed to enforce a lien under a Tennessee Deed of Trust. The manager or Board of Directors acting on behalf of the unit owners shall have the power to bid and acquire such unit at a foreclosure sale. The delinquent owner shall be required to pay to the Association a reasonable rent for subject unit until sale or foreclosure, together with all costs and reasonable attorney's fees. Suit to recover a money judgment for unpaid common expenses shall be maintainable with all costs and reasonable attorney's fees without foreclosing or waiving the lien securing the same.

Section 6. Right of Entry. The manager and any person authorized by the Board of Directors shall have the right to enter each unit in case the owner or occupant is present at the time. Every unit owner and occupant, when so required, shall permit other unit owners or their representative to enter his unit at reasonable times for the purpose of performing authorized installations, alterations, or repairs to the common elements therein for central services provided that requests for entry are made in advance.

Section 7. Title. Every unit owner shall promptly cause to be duly recorded in the Register's Office for Davidson County, Tennessee, the deed, lease, assignment, or other conveyance to him of his unit or other evidence of his title thereto and file such evidence of his title with the Board of Directors through the manager, and the Secretary shall maintain such information in the record of ownership of the Association.

Section 8. Mortgages. Any mortgagee of a unit may file a copy of its mortgage with the Board of Directors through the manager who shall be required to notify the mortgagee of any unit owner who is in default in the expenses for the administration of the project and the mortgagee at its option may pay the delinquent expenses.

Section 9. Insurance. The Board on behalf of the Association at its common expense shall at all times keep the building of the project insured against loss or damage by fire with extended

coverage in an insurance company authorized to do business in the State of Tennessee in an amount as near as practicable to the full replacement value thereof without deduction for depreciation, in the name of the Board, as trustee for all owners and mortgagees, according to the loss or damage to their respective units and appurtenant common interests, and payable in case of loss to such bank or trust company authorized to do business in the State of Tennessee as the Board shall designate for the custody and disposition, as herein provided, of all proceeds of such issuance, and from time to time upon receipt thereof cause to be deposited promptly with the owners and mortgagees of the units or interests therein, true copies of such insurance policies or current certificates thereof, without prejudice to the right of each owner to insure his unit for his own benefit. In every case of such loss or damage, all insurance proceeds shall be used (subject to requirement of the Declaration) as soon as reasonably possible by the Association for rebuilding, repairing, or otherwise reinstating the same building in a good and substantial manner according to the original plan and elevation thereof, or such modified plans conforming to laws and ordinances then in effect as shall be first approved by the Association and all mortgagees of the units or interests therein, and the Association at its common expense shall make up any deficiency in such insurance proceeds. If available, every such policy of insurance shall:

- (1) provide that the liability of the insurer thereunder shall not be affected by, and that the insurer shall not claim any right of set-off, counterclaim, apportionment,

proration, or contribution by reason of any other insurance obtained by or for any unit owner;

(2) contain no provision relieving the insurer from liability for loss occurring while the hazard to such building is increased, whether or not within the knowledge or control of the Board, or because of any breach of warranty or condition or any other act or neglect by the Board or any owner or any other person under either of them;

(3) provide that such policy may not be canceled (whether or not requested by the Board), except by the insurer giving at least thirty days' prior written notice thereof to the Board, owners, and every other person in interest who shall have requested such notice of the insurer;

(4) contain a waiver by the insurer of any right of subrogation to any right of the Board or owners against any of them or any other person under them.

(5) contain a standard mortgagee clause which shall

(a) provide that any preference to a mortgagee in such policy shall mean and include all holders of mortgages of any unit of the project, in their respective order and preference, whether or not named therein;

(b) provide that such insurance as to the interest of any mortgagee shall not be invalidated by any act or neglect of the Board or owners or any persons under any of them;

(c) waive any provision invalidating such mortgagee clauses by reason of the failure of any mortgagee to notify the insurer of any hazardous use or vacancy, and requirement that the mortgagee pay any premium thereon, and any contribution clause; and,

(d) provided that without affecting any protection afforded by such mortgagee clause, any proceeds payable under such policy shall be payable to said bank or trust company designated by the Board.

The Board, on behalf of the Association at its common expense, shall also effect and maintain at all times comprehensive general liability insurance covering all owners with respect to the project in a responsible insurance company with minimum limits of not less than \$300,000 for injury to one person and \$500,000 for injury to more than one person in any one accident or occurrence and \$50,000 for property damage, and from time to time upon receipt thereof deposit promptly with the owners current certificates of such insurance, without prejudice to the right of any owner to maintain additional liability insurance for their respective units.

position of such costs, expenses, or liabilities, except in relation to matters as to which he shall be finally adjudged in such action, suit proceeding, investigation or inquiry to be liable for willful misconduct or negligence toward the Association in the performance of his duties, or in the absence of such final adjudication, any determination of such liability by the opinion of legal counsel selected by the Association. The foregoing right of indemnification shall be in addition to and not in limitation of all rights to which such persons may be entitled as a matter of law and shall inure to the benefit of the legal representatives of such person.
